

Sexual Health Counselling Service in York & North Yorkshire

SCAN
ME

Self refer into our service today by scanning the QR code or by speaking to a YSH clinician.

YSH runs a counselling service for people living in North Yorkshire and York who wish to seek support around different aspects of sexual health.

We work with:

Effects of an STI diagnosis

Living with/affected by HIV

Barriers to positive sexual health

Difficulties around sexuality

Survivors of sexual assault

Support and choices around unplanned pregnancy
